# DRILL SUPPORT/ GENERAL WORK CLASS ROV QUASAR

Quasar is the medium size vehicle in SMD's Q-series work class ROV range. Utilising the latest multi-platform Curvetech™ components, the vehicle offers class-leading in-current performance, tooling and instrument space and access for maintenance. Quasar is an excellent all round performer capable of survey, construction and drill support operations.

## FEATURES

- Medium sized high power work class ROV
- Excellent performance and highly versatile
- Configurable for survey, drill support and construction tasks
- The essential all-rounder and backbone of your ROV fleet
